"Automation Companies in Egypt"

Last Update: 19Oct2021.

The next list includes all Major companies that work in the industrial automation field all over Egypt:

Please note:
1. This is just my personal effort as a result of my own work experience in the field and my search on internet, to help Students and engineers who are interested in industrial automation field and give them access to useful data about the companies that work in the industrial field, I tried my best to give you accurate results but nothing is perfect, so make sure to do your own effort before using the provided information.

2. This is the first edition of the file, and some other companies will be added soon incallah.

No	Company	Specialty	Address	Contacts
1.	**Advanced Control Systems**	Schneider	3, Ben Manzour street, Roxy, Cairo, Egypt	Tel: + (202) 22 91 05 77 – 24 18 79 90 Fax: + (202) 24 18 79 90
